

C13

Multi-tier LOCKABLE OUTLET

Technical Information

General Information

- Snap-in mounting from front
- Solder terminal or quick connect from single terminal
- Protection class 1
- Integral plug retention feature

Technical Data

- **Rating:** 10A European Rated, 15A cUL Rated
- **Insulation Resistance:** 10MΩ (500VDC, 1 Min.)
- **Dielectric Strength:** 2KV (50Hz 1 Min) to accessible surfaces
- **Materials Socket:** Black Polyamide 66 (PA66) UL94V-0

Approvals

- **10 A/250VAC:** ENEC 05, KEMA KEUR
- **15 A/250VAC:** cUL

Standards

- IEC/EN 60320-2-2/F UL498
- CSA C22.2 No 182.3-M1987

Product

- Black IEC320 Snap in 1.5mm Panel Thickness.
- Quick Connector/Solder 6.3 x 0.8mm

Patent

- **UK Number:** 2463468B
- **EU Number:** EP2321879A
- **HK Number:** HK1141901
- **Chinese Patent Application No:** CN 102150330 A
